ANCA Sets A Style Tone With Its Finest Touch Of Class

ANCA, the paradise for bespoke luxury home furniture, for the most sophisticated and luxurious products brings to you the finesse of monochromatic charm with their Moondrop ensemble. The latest edition that is the right cut for the 'posh patrician,' adding richness & touch of unparalleled quality, created from the finest of techniques, styles to express stylish living. The appeal of Moondrop Ensemble is synonymous to aristocrats, splendor of crème da le crème which is attained by the right balance of ethnicity and modern taste. The Moondrop ensemble is designed keeping in mind the neutral colour palette integrated with whites, ivory, crèmes, pearl white & a hint of shimmer to create a sense of indulgent opulence. The extensive assortment of Moondrop by ANCA is exclusively available at www.anca-1985.com.

The key elements used are pearl metallic finish on wood amalgamated with glass in unique textures and styling, resin highlighted with stainless steel details, are the primary constituents of the Moondrop design philosophy. The eye catching accessories further ornament and exude the feeling of plush comfort. The soft glittery carpet, textured wood and glass with hints of copper brown, grey, black and sand colours in soft furnishings revolving around the monochromatic décor bring in

the feel of high luxury living style.

Commenting on their new assortment, Kashish Raheja, Director, ANCA says, "Our Moondrop ensemble was introduced keeping in mind the Elite, therefore creating a world class experience in world of luxury, such that suits every taste and style to ensure that their discerning customers find the perfect product that fits the requirements. This edition has charismatic timeless feel, with brilliance of white and crème tones to create a sophisticated contrast."
